Dear Parent

Parking along Aberthin Road and Access to the Middle School Site

As you know, redevelopment work is now well under way. The works have inevitably constrained our use of and access to the site. In working with the contractors our priorities are obviously to ensure the safe operation of the School throughout the construction period. To this end all pupils and staff using the Aberthin Road site have received health and safety briefings from the contractors and regular reminders via assemblies.

My purpose in writing to you is to request, once again, your co-operation and assistance especially if you bring your child to school by car. If you are dropping off or collecting your child please can you do so taking care not to obstruct vehicles – especially school buses entering and leaving the site. Please do not make 'U' turns in the entrance/exit to the school or park on the zigzag lines outside the school as this severely impairs visibility for vehicles exiting the site. Also please do not enter the school's car parking areas at the beginning and end of the school day when pupils will be arriving or leaving on foot.

Thank you for your continued help in this matter.

Yours sincerely

Mrs M. Evans
Headteacher
